

THE NEW

No. 13 Vol. 1 Thursday, June 8, 1950

The Raymond Lions Club slipped a bit on Monday—due to a holiday for a few of the people in our community the regular meeting was cancelled. A few of the boys were disappointed—they received no cancellation notice and came in hungry and then out of patience. Hiede stopped work and came in from the farm.

McBride Has Flown

Our club is having a bit of tough luck. Keith has joined that unique million "The Commercial Traveller". He purchased a new Chevrolet last Friday and moved to Edmonton to sell cows for Canada Packers. He will work out of Edmonton. He has been one of our spark-plugs—the party whip, you might say. He was Chairman of the Attendance Committee and did a very excellent job. We now need a new advertiser for the Stampede too. Keith and Molly leave a host of friends and we wish them the best of luck and hope that the Edmonton crew gains what we have lost. Good luck and goodbye, Keith.

Convention

The Raymond Lions are a busy bunch of bouncers, at least far too busy to go to the big District Convention at Missoula. This is staged for four days next week and will be the biggest, liveliest and most talked about show our district has ever seen, says the Missoula Club. Walt Staves, our District Governor, promises us his home town club will go all out to do it right.

Ken Long is running for one of the new Governor's jobs. He has been in active service for a long time and we think he will do a bang-up job for us next year.

International Convention

The local secretary has decided to go to the International Convention in Chicago in July. He will be attending Summer School for the next month and is going to stay over for the biggest spread of them all.

What Does Our Town Need?

How can we best prepare for the boundless future? These are vital questions of community concern. We talk a great deal about business expansion and creating jobs. Are we overlooking the real values of life without which material prosperity falls flat?

The Publicity Committee of the Lions Club invites every High School student to bring out a plan of our needs set out in a well-written essay. Have the essay typewritten and in not more than two hundred and fifty words. Proposals, writing ability and clear reasoning will be considered by a board of independent judges in selecting the winner. We will publish the essay and award a small prize of \$5. Mail all entries to Publicity Committee, Lions Club, Raymond, not later than June 30.

A Day at Hunter's Ranch at Macleod

(John Holmes reporting)

The time, 2 o'clock; the place, the Hunter Brothers ranch; the guests, all the Calf Club members and their parents from Lethbridge, Cardston and surrounding districts. Before the program of the day was started, the clubs were given time to walk around and look the place over.

The first part of the program was a demonstration by the two Hunter brothers of how to wash and comb a calf to prepare it for show.

Next the club members were given two classes of Hereford heifers to judge and each member was given a judging card on which to write his reasons and placement.

The Hunter brothers next took us on a tour of their fish hatchery where rainbow and cut-throat trout are raised. The fish are fed chopped horse meat.

Funeral Service

The funeral services of the infant son of Mr. and Mrs. Karl Wilde, who passed away Tuesday were held on Wednesday in the Second Ward Relief Society Room.

Bishop Rulon Dahl officiated at the service and spoke on the Resurrection. The opening prayer was offered by Elder Clarence Allred. Mrs. Fanny Walker spoke words of sympathy and comfort to the family and Mrs. Ruth Salmon rendered a beautiful vocal solo accompanied by Mrs. Emma Dahl. Benediction was offered by Elder Paul Fairbanks.

Interment was in the Temple Hill Cemetery. Elder Bruce Galbraith offered the graveside prayer.

Mr. and Mrs. Finn Terry and daughter of Calgary were business visitors here on Monday.

Ladies Literary Society

The Ladies Literary Society met at the home of Edda Brandley on Wed., May 31 with 15 members and 9 guests present.

President Florelle Palmer was in charge.

Minutes of the meeting of April 26 were read and approved.

As this meeting came in May, the month when mothers all over the world are honored, Mrs. Brandley planned a very enjoyable and unique Mothers Day program. Emma Redd gave a series of poems dealing with Mother, home and its inmates, which were enjoyed by everyone. Mrs. O. Anderson and daughter sang a lovely duet after which each club member and her especially invited guest—her mother, daughter or sister—each related some fond memory of her childhood and her mother. Many beautiful tributes were paid to about twenty-four mothers, some tender, some sad, with just enough humor to prevent the flow of tears.

Jennie Stone moved adjournment after which a delicious lunch was served by the hostess, Edda Brandley.

The ladies of the Fourth Ward Special Interest class met at the home of Mrs. Lettie Litchfield Thursday to enjoy a very instructive evening. Several different handicrafts were taught, such as shellcraft, plaster of paris modelling, punchwork on pillows and crayon painting. Mrs. Litchfield is the instructor for the summer months to teach these skills and her home is made extra beautiful and attractive by these lovely articles.

The Glee-ette Club met at the lovely farm home of Mrs. Virginia Holmes with Mrs. Ruby McMullin as assistant hostess. Many songs were practiced and enjoyed under the leadership of Mrs. Geneva Erickson and Mrs. Beth Walker. Mrs. Walker was also part-time accompanist.

A delicious lunch was served by the hostess.

RAYMOND RECORDER

The concluding feature of the day was lunch which consisted of pop (all kinds), doughnuts, ice cream and cup cakes.

I am sure that all the guests enjoyed this trip and the instructions given and appreciate the efforts of the Lions Club that made it possible.

Alex Nemeth, a sailor on leave from Vancouver, is a guest at the home of Mr. and Mrs. Art Attwood.

The Sunday Night Club met at the home of Mr. and Mrs. Ken Stone. Mrs. Irene Halliday very capably presented the lesson. Mr. and Mrs. Bruce Galbraith were special guests.

A delicious lunch was served.

LeGrand Piegrass and Paul Evans of Calgary were recent visitors here.

Track Meet

The spirit of good sportsmanship prevailed at the High School Track Meet held last week. The weather was warm and participation in all events was good. Competition was keen in most events and although no exceptional records were made results were satisfactory.

Manitoba Flood Relief

Further contributions have been received for the Manitoba Flood Relief Fund and many more would be welcome. In addition to the money turned in to the Service Clubs (the total now stands at about \$1,400) there has been approximately \$150 handed in at the Bank of Montreal. So far the Treasury Branch has not received any contributions. This total of \$1,550 makes the average donation somewhere in the neighborhood of sixty cents per capita, for the town, which is very good. Yes indeed, it is very good but we can do better. The campaign by the Lions and Rotarians is still open and will be so for another week so take advantage of your opportunity to relieve human suffering—Give to the Manitoba Flood Relief Fund today!

A total of 425 people have, up to now, contributed to the Service Club campaign.

First Ward Fireside

The First Ward M Men held a fireside Sunday evening for the Gleaners at the home of Mr. and Mrs. Jack Evans. Mr. Pete Shaw was in charge. Mr. Grant Litchfield, Mr. Willard Paxman and Mr. Rulon Litchfield gave some interesting experiences which they had had, after which Gladys Holt related missionary experience and showed many pictures. A quartette, consisted of Misses Carma Paxman, Norma Dahl, Pat and Colleen Mitchell sang "Now Is The Hour". Mr. Laurie Harker of the Third Ward also sang two solos.

Refreshments were served.

Very Important Notice

It is requested that parents having children starting school at the fall term have them registered immediately at the Public School office. The complete enrollment should be in by June 15, 1950. This should be done so that a new room may be provided if necessary.

All pupils registered must be six years of age on, or before, September 1, 1950. Please present birth certificate or certificate of blessing at the time of registering.

Raymond School Board

ROTE SPOKES

Monday, June 5th, being celebrated as the King's birthday, no meeting of the Raymond Rotary Club was held.

On Tuesday the executive of the club met in a special meeting with Ryerson Christie of the Cardston Club. Rotary International is working in conjunction with I.R.O. (International Refugee Organization) in an endeavor to move and place, in Canada, several hundred "specialists" still in D.P. camps in Europe. These "specialists" are a group of highly trained men and women in what might be called the white collared professions, desirous of emigrating to the United States or Canada. The bulk of the D.P.'s who so far have moved into these countries have been agricultural or manual laborers. To date people to sponsor these "specialists" have been few and far between, consequently the greater number who have expressed a desire to settle in the Americas are still languishing in European D.P. camps. One of the aims of Rotary is to give these people a helping hand. Mr. Christie leads this work in Alberta. If anyone is interested in specialized help such as mechanics, nurses, accountants, teachers etc., Rotary can now furnish them with complete dossiers on people in these trades wishing to come to Canada. The cost of this movement is carried by I.R.O. and all that the sponsoring party need do is to guarantee the immigrant food, lodging and employment for one year. T. Geo. Wood, head of our International Committee is going to outline the procedure at our next Rotary meeting.

Big Month

Famous for brides and graduations June is also a month of significant events for the Rotary world. It brings the International Assembly and the Rotary Institute, Chicago, June 11-17; International Convention and Council on Legislation, Detroit, June 18-22. Our own District Assembly is being held at Waskesiu Lake, Prince Albert National Park, June 25-27. Governor-Nominee Dick Mayson will preside. President-Elect C. R. Wing and Sec.-Elect Howard Melchin will represent our club.

One Way to Make Vocational Service Work

We, as Rotarians, give and accept the ordinary courtesies imposed on us by our positions in life. We would not dream of doing otherwise. Are the same courtesies carried into our other contacts—with our business associates, with our families, with our staffs, with the staffs of other organizations? If not, the need of this particular branch of vocational service is only too apparent.

Other men may be abrupt on the telephone, discourteous when the mood is on them, intolerant of others and oblivious of discourtesy in their employees. There is no reason under the sun why Rotarians as a body should not provide the antithesis to this type of behavior. Courtesy and consideration beget themselves and the influence of one man on his staff, his friends and his acquaintances can eventually have widespread results. At least, it is one way in which vocational service can be made to work.

C.A.R.E.

Most of us take for granted the little comforts of life. But when some of those little comforts are received by families of former Rotarians in war-torn countries, it is another story. Here is what one woman in a small town in Germany has written upon receiving a C.A.R.E. package from the Rotary Foundation.

"You understand how one can be absolutely mute with joy over a surprise. Words fail when such a package

Cancer School

Mrs. June Allred, a member of the Women's Institute, returned from Banff last week where she attended a Cancer Institute organized by the Alberta Women's Institute of the Canadian Cancer Society, at the Banff School of Fine Arts, with the theme of "Blueprint for Action". The three-day Institute was designed to create an informed group of women in all parts of the Province, versed in all aspects of the co-ordinated cancer control programme. One member from each institute branch in the southern part of the Province was selected to attend the Institute.

During their three-day course the students heard lectures from outstanding specialists in the Cancer Field, in the various agencies engaged in the all-out fight against cancer. Demonstrations of scientific equipment used in the modern detection and treatment of cancer were also given to the students and more Women's Institute members.

Mrs. June Allred has been appointed representative of the Cancer Information Service in this locality, and applications for cancer literature and other information, as well as inquiries as to the operation of the Canadian Cancer Society's far-reaching welfare programme may be directed to her.

E. H. Nilsson is the Raymond Cancer Executive Director.

Misses Lorraine and Betsy Shaw and Virginia Paxman of Calgary were recent visitors here.

Mrs. Beth Walker reviewed the book "Drs. Mayo" at the Special Interest class of the First Ward on Tuesday evening.

A Mean Trick

We wish to take this opportunity to thank the person, or persons, who were thoughtful enough to pick only the white tulips at the cemetery. Had they taken ALL the colors, we would have no spring flowers where our loved ones rest.

Temple Hill Cemetery Board

Mr. and Mrs. J. Sommerfeldt and children of Taylorville were week-end guests at the home of Mr. and Mrs. Alma Sommerfeldt.

All the L.D.S. Girls workers of the Taylor Stake had an excursion to the Temple recently. Members of the bishoprics accompanied them.

we lost

On Monday night we lost. That old First Ward sure has a wonderful team. They must be really great to hand us, the Fourth Warders, a trouncing like they did. If you won't tell very many people I'll whisper the score to you. Turn your head, it was 22 to 7 in only six innings! One possible reason for our defeat was Lincoln's absence. He was knocking a goof ball. I mean goof ball around over in the Garden City. He's our pitch. Another possible reason for our defeat was not many of our players could throw a ball from third to first, me especially. Anyway Murray Holt did a good job of calling the balls and the two (I think) strikes of the game.

Maybe next time it will be our turn to win—we hope.

My wife just reminded me that we were not to goof at bat either. Well those guys threw the ball too fast.

Our sincere thanks go to the many people who showed such kindness in our recent bereavement. Special thanks to the doctors and nurses at the hospital and those who assisted with the funeral arrangements.

 Serving one of Canada's richest irrigated mixed farming districts.

We had an example of sheer, unadulterated cowardice shown to us this week. A man brought an unsigned letter into our shop and asked us what we thought of a person who was very brave when writing the letter but lost all courage when it came time to put his name down in black and white. Well, what we thought, and still think, of such a person couldn't be printed, even in our own newspaper. People who go around making silly accusations that would do great credit to an imbecile should either come out in the open so we may all know him as such or hide his dark secret deep in his bosom.

The writer of that anonymous letter might not see this paper but it is our fervent wish that he (or she) may have a burning shame within himself for years to come. If anyone has something constructive, or even destructive if it is the truth, to say, let him say it and have done with it. This is a democratic country and as such we are free to air our views and opinions out in the open.

Sending out anonymous letters, in our opinion, is rotten, just plain rotten.

Some of the students who have returned for the holidays from school are: Pete Whitbeck, David Wing, Lois Fairbanks and Bonnie Fawns.

Bishop and Mrs. J. Golden Snow left Sunday night for Edmonton where they will visit Mr. and Mrs. Bill Haas.

A. T. Stedman of the Prudential Assurance Co., Calgary, was a business visitor here on Wednesday.

Mrs. Gerald Melchin and children are visiting Mrs. Melchin's parents in Logan, Utah.

Special Church Service

A Special Service will be held on Sunday, June 11 at 11 o'clock a.m. in the Raymond United Church. A choir composed of members from Magrath, Spring Coulee and Raymond will be attendance. A similar service will be held in all the named towns at their respective hours.

Everybody Welcome

The Readers Progress Club met at the lovely farm home of Mrs. Atha Peterson with Mrs. Jennie Housley as assistant hostess.

Mrs. Ann Turner capably told the story of "The Divided House". This dealt with the life of Abraham Lincoln. Mrs. Mirra Peterson was a guest.

A delicious lunch was served by the hostesses.

Bonnie View Ball Team

Word comes from Ray Depew at Bonnie View that he has a good soft ball team again this year. Last year his team was the winner in the All-Church league of the three stakes in Alberta. In the play-offs in Boise, Idaho, they defeated Washington only to be eliminated by Oregon. They have won their first three games this year and are not looking forward to too many losses.

We say, "Good luck to you, Bonnie View."

STARTIME

This happy trio is representative of the thirty-five outstanding Canadian singers who have been heard on the Sunday Startime broadcast since it first went on the CBC Trans-Canada network, January 8. Left to right, Jimmy Shields, tenor; Betty McCaskill, soprano; and Bernard Johnson, baritone. Paul Sherman conducts the orchestra.

The Psychology Club held their monthly meeting at the home of Mrs. Delecta Sommerfeldt. Her house was tastefully decorated with tulips and lilacs.

Mrs. Jennie Vance gave a most interesting lesson dealing with the attitudes and habits of children.

Mrs. Dick Cooper was in charge of the meeting with Mrs. Dorothy Dahl reading the minutes. Business was discussed and it was decided to donate \$10 to the Manitoba Relief Fund.

A delicious lunch was served by the hostess.

Guests at the meeting were Mrs. Edna Baker, Mrs. Kathryn Keefer and Mrs. Margaret Rolison.

Mrs. Elden Brown had a number of friends and neighbors in for dinner last week. The occasion being a demonstration by the Wearever man.

of wonderful things arrives—things that are entirely beyond our reach and sight. Noodles and soap and cocoa and sugar and shortening... powdered whole milk is my greatest delight in cooking. What such a big box of whole milk means for older people you can't imagine. How many times, God willing, will I with grateful heart make milk soup, and the wonderful margarine, how marvellous it tastes on bread! Beef and gravy we shall reserve for a holiday. How can one express his thanks in a few words? Please tell the friends who made these packages possible, simply that we shall never forget their generous help.

The end of June will find the relief fund of the Rotary Foundation exhausted, ending all help which former Rotarians and their families in Europe and Asia have been receiving through the Foundation. It takes so little of what we have to bring great joy to families such as these. Further appeal for relief contributions will not be made by Rotary International, but the need for assistance overseas will continue. Anyone desiring to help some of these destitute persons are advised to write to the Secretariat for details.

Aesop

Way back in dim recollection lived a very wise man. He taught some very wise things. He was a homely old duffer—a native of Greece, and went around saying things that stirred the people to think. Aesop was his name.

He believed that men could do best by working together. Did he go around shouting, "Co-operate"? No, he simply went around carrying a bundle of sticks tied together with a string. Meeting another man he would say, "Friend, break them," and hand over the bundle. The man would try but he couldn't break the sticks.

Then, the wise old man would take the bundle, cut the bands, snap each stick over his knee and say to his countryman, "Tied together we are a bundle of sticks that can't be broken, but once divided we break easily". That was all.

The age-old problem in any undertaking is to get men to pull together. Then, nothing is impossible. If we do not pull together, nothing is possible because all our efforts are puny. We as individuals, are sticks that snap easily, but in a bundle we go places and do things. This is Rotary.

Until next week this is your Rote Reporter who, in a pessimistic mood, thinks that the best thing humanity can do is have the next war quick, before the scientists make any more progress.

Members of the Ward, under the direction of the Bishopric, are at present putting over a very worth-while project, that of constructing wide cement sidewalks across the church lot, also the length of the church and the hall. This project will make a pleasing addition to the church property as well as to the village.

Mr. and Mrs. William Mertz motored to Taber on Sunday where they were in attendance at the funeral services of the late Clarence Merner.

A pleasant social afternoon was spent when Mrs. Quinn Jensen entertained the ladies of the M.A. Club. The time was spent doing handwork and social chat, after which the hostess served a dainty lunch.

Last week Mr. and Mrs. Henry Lee of Blairmore paid a surprise visit to the home of Mr. and Mrs. Albert Jones to see Geraldine who has been in bed with rheumatic fever for six months. They were accompanied by Mr. and Mrs. Hank Reed and their grandson, Bill. Mrs. Jones has lived in Raymond for 22 years and although her mother has been here before this was her father's visit.

One of the High School students left a copy of "Hi Times" in our shop tonight and in looking through it we find many things of interest—poems by students of the R.H.S. that, in our humble opinion are good, feature articles by budding journalists; jokes, corny but good and an editorial that really caught our attention. The one on swearing. If we can get the author's permission we intend to use it in the Recorder next week to bring home to the parents just how bad the "swearing situation" has become in Raymond.

Calf Club

Saturday afternoon the Calf Club members made their annual tour to each of their respective places, where the calves were displayed.

Mr. Doug Paxman, Mr. Murray Holt and Mr. Paul Moreland represented the local Lions Club, who sponsor this fine club each year. Mr. D. L. Steed of Cardston, representing the District Agriculturist, was also present.

After the entourage had visited all members places they returned to the Godfrey Holmes farm where a welter roast was enjoyed.

Two trophies entitled "Raymond Lions Calf Club Trophy" are offered each year, but as some of the members had not yet completed their data it has not been awarded.

Mr. and Mrs. Arwell Pearce and Mrs. Ada Cardon of Utah, and relatives of the Palmers of Raymond, spent the week-end at the home of Mr. and Mrs. L. L. Palmer. Mr. Pearce recently was released as the President of the Mexican Mission where he had presided for eight years. Later they motored to Lethbridge to the home of Mr. and Mrs. Asel Palmer where a family party was held and was greatly enjoyed.

Membership was at first limited to those who had served in the Canadian Missions but now its members speak several languages and have been to all corners of the globe.

Tough Luck

The Lethbridge Herald and the Raymond Recorder—the two hard luck papers of southern Alberta. Of course the Herald's trouble was an accident due to unknown causes while ours was an accident due to a known cause—our press is worn out. The dear old thing, and we mean old, has just about had its time. All we need is a couple of hundred more subscribers and then we can start to think about getting a new one. By a new one we mean one that is in just a little better shape than our old Diamond.

If it wasn't for our mechanically minded friend, Lowell Court, you wouldn't be reading this for a while yet. We are only a couple of days late but if Lowell hadn't taken a little time out to help us we'd still be stuck. It's easy when you know how but we didn't know how. Thank you kindly Lowell.

RAYMOND STAMPEDE - JULY 1

Queen Mary's Carpet

Her Majesty Queen Mary has given to the nation a needlework carpet of her own making. The work has occupied much of Her Majesty's time during the past eight years, and it is her desire that the carpet shall be sold for dollars for the benefit of the British export drive. The carpet is a traditional English eighteen-hundred design and consists of 12 panels, each containing birds and flowers on backgrounds of beige in varying tones surrounded by a border of detached blossoms.

All but one of the panels bear Her Majesty's signature, "Mary R." with the year in which they were worked. Apart from joining the sections together, all the work, including the blending of the colors, has been done by Queen Mary herself, to designs that were drawn by the Royal School of Needlework. The carpet measures 10 feet 2 inches by 6 feet 9 1/2 inches.

The carpet has been accepted by the Prime Minister, and the sale has been entrusted to a committee of three — The Governor of the Bank of England; Mr. C. F. Cobbold; the chairman of the Dollar Exports Board, Sir Cecil Weir and the Dowager Lady Reading, chairman of the Women's Home Industries.

The only condition attached to the sale is that the ultimate home of the carpet shall be some public institution.

Come to Church

"The hour shall be filled with music,
With songs, and praise, and prayer;
And the burdens of life shall be lifted
From all who enter there."

It is good for us in the general uproar of the world to pass through a season of quiet meditation and put our fingers on our spiritual pulses and see what kind of life we are living. We cannot best estimate our own life in the noise of the street and the turbulence of the world and need to retire within and shut the door that we may see with a quiet eye and balanced judgment what manner of persons we are. The world is too much with us, and late or soon we spend our spiritual substance in worldly ambitions and anxious living. Simply to step into the seclusion and quiet of a church tends to cool our fevered pulses and calm our agitated hearts and give us peace. God is the great need of our souls, and while we should always live in His presence, yet there are times and means for realizing in a special degree His nearness.

The Second Ward Relief Society, under the direction of President Mrs. Rose Melchin, sponsored a special meeting for all four Ward Relief Society members with Mrs. Maydelle Palmer of Lethbridge as guest speaker. Her lecture dealt with the diet and nutrition. She gave several recipes using whole wheat flour for which the ladies present were very grateful.

A.M.A. BOARD TO TALK LICENSE PLATE COSTS

The renewal of efforts to bring about lower license plate costs in Alberta will be discussed when provincial directors of the Alberta Motor Association hold their semi-annual meeting in Calgary, Saturday, June 10.

The board will discuss the results of representations to the cabinet which, while admitting that requests for reduction of license plate cost have increased, declined to make any change for this year.

Reports received from various parts of the province indicate that there is a growing demand for relief in regard to motor car taxation, according to A.M.A. officials. It is apparent that representations for a license cost reduction will increase this year. Strong arguments have been advanced on the grounds that Alberta should put its license fees more in line with other provinces instead of being the highest.

Measures to promote greater safety on the highways, need of driver training courses in Alberta high schools, tests of drivers seeking their first license and wider benefits under the Automobile Accident Indemnity Act may also be discussed by the provincial board.

Reports of branch activities in Edmonton, Calgary and Lethbridge will also be submitted. H. R. Chauncey, provincial president of the A.M.A. will preside with L.M. Saint, of Calgary, acting as provincial secretary.
